

Remote Power Supply

SN 18/600, SN 19/800 F

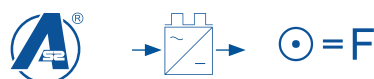

Providing remote power for low noise block converters (LNBS) via coaxial cable.

- Ground clamp

5 ... 2200 MHz
SN 18/600

2x 5 ... 2200 MHz
SN 19/800 F

Model Art. No.	SN 18/600 832113	SN 19/800 F 832108
Inputs SAT + Terr.	1	2
Outputs SAT + Terr.	1	2
Through loss	0.5 ... 1 dB	
Isolation trunk / trunk	-	> 35 dB
Mains power supply V~	100 ... 240 V / 47 - 63 Hz	
Remote voltage	18 V	-
Remote voltage vertical/horizontal	-	13 V / 19 V
Total current max.	600 mA	800 mA
Single current max.	-	400 mA
Ripple	< 50 mVss	
Max. power consumption	6 W	16 W
Ambient temperature	-20 ... +50 °C	
Dimensions (mm)	160 x 90 x 52	

Tech-Hint

Please note, the remote power path only exist in one way for the power supplies SN 18/600 and SN 19/800 F.
